#### Roadmap

You can find Renne  
near the highway A6,  
exit Urk/Nagele

*Streekproducten*

At farm shop Renne Streekproducten, owned by Frans and Irma Renne, you can find a great variety of local products. Most of our products are from our own farm or fellow farms in the area! From fair meat to artisan ice, at Renne Streekproducten you will always know what you're eating.

*Enjoying products from the area  
is a sheer pleasure of nature!*

That's our filosofy at Renne Streekproducten in Nagele. Take your time to look, smell and taste original products straight from the countryside.

Know exactly where the products come from and find out that healthy can be delicious and easy.

Our motto at Renne Streekproducten:  
know what you're eating!

## 11BEAUFORT

Experience the power of wind turbines at **11BEAUFORT**. The place to learn about wind turbines and sustainable energy. Find out how a wind turbine works, why they are required and how much sound they produce. Besides that, you will learn about the importance of green, sustainable energy and many more interesting facts. You will discover it all at **11BEAUFORT**

### WIND EXPERIENCE

**Experience wind turbines from close by?**  
With our tour you will get to know everything about wind energy, sustainable energy and Windpark Noordoostpolder.

### STRENGTH

Are you strong and resistant to wind force 6? You and your friends or classmates can become an expert in wind energy! You can experience how a wind turbine works, what wind feels like and how you can generate your own energy in our experience center.

## De Kluishof

FEESTEN PARTIJEN WORKSHOPS

**De Kluishof is your perfect location for every festivity, daytrip, workshop or meeting. Whether it's a small or big event, at De Kluishof everything is possible.**

De Kluishof doesn't only offer business conveniences. It is highly suitable for families. There is an air cushion and there are other game elements. We should not forget to tell you about our original South-African Braai that works on charcoal, our delicious lunch possibilities and our hot and cold buffets. With everything we have sustainability and attention to animal well-being in mind.

### PACKAGE DEALS

Whichever form of a meeting or buffet you choose, we are there to offer you a package deal especially designed to meet your needs. We are looking forward to advising you and would like to offer you a corresponding proposal.
